

Connect Comparison Grid: Parent/Carer Survey Lockdown 2021

Significant differences in the experiences of single parents and parents/carers with children with additional support needs are highlighted in yellow.

The grid shows families in these groups were less likely to be OK and less likely to have what they needed. The group which was least likely to feel they did not get clear information about school work was parents/ carers of young people in secondary schools, also highlighted in yellow.

Question	All Results (784)	Primary (548)	Secondary (402)	ASL (154)	Single Parent Households (98)
